Dear Partner!

We are pleased to inform you that the our project: **Közös Európa, közös értékek, közös kihívások! - Common Europe, common values, common challenges!**, in the framework of Europe for Citizens, Town Twinning received positively assessed.

The project funded by the European Union is implemented together with nine partners: Nagybjom (Hungary), Vecsés (Hungary), Gmina Pieszyce (Polonia), Stadt Schortens (Germany), Kanjiža - Magyarkanizsa (Serbia), Velké Kapusany – Nagykapos (Slovakia), Comune di Miglianico (Italy), Grad Djurdjevac (Croatia) and Comarca Cinco Villas (Spain).

The aim of the project is that the participant countries should think about those measures that should be taken in order to create a stable and secure future for their settlements considering the direction Europe heads in. They should develop local values and identify some guidelines that in the long run contribute to achieve this goal. The project „Common Europe, common values, common challenges!” helps us achieve this goal and helps our partners know each other better and create some long-term and varied relationships.

In period **07-10 of October 2021** we expect **8** person from your town:

- Representation by local authorities - a brief description of the settlement and the signing of the cooperation agreement.
